

THE HEART OF THE OLYMPICS

A place of dreams, the Olympic Museum is set in a beautifully maintained park. Bounded by a unique landscape where the waters of Lake Geneva meet an infinite sky, it is an oasis of tranquillity and culture. The works of Berrocal, Calder and Botero that accompany your visit help you enter a world where the body and spirit achieve perfect balance. The Olympic ideal that lives in these grounds opens its doors to you...

A place of memories where the legends live on, the Olympic Museum presents the thousands of stories that interweave to form our common experience. Tracing Olympic history from the beginnings to the present day, athletes like Jesse Owens or Nadia Comaneci guide you into the very heart of an extraordinary human adventure that goes beyond the bounds of geography and time. The Olympic Museum, featuring more than 2,500 exhibits and interactive terminals enabling you to view thousands of documents, takes you on a fabulous voyage into the riches of our past...

A place of emotions, the Olympic Museum helps you relive the great moments that have marked the Olympics. Records and personal bests, sadness and joy, sharing and brotherhood: these are the human sentiments that draw people together and fill the events with deeper meaning. Big screen audiovisual productions and 3D films take you right to the centre of the action. At the video library, you can choose from some 500 clips that help you relive the magic of the Olympics...

A place of discovery, the Olympic Museum gives new life and meaning to its halls by staging regular exhibitions on specific themes. Here you'll discover lesser known or more surprising sides to the sporting and Olympic world. In line with its educational mission, the Olympic Museum also arouses the interest of its youngest visitors. Playing and learning from suitable games and activities, they'll love discovering the fascinating world of the Olympics as well as appreciating the values of an ideal stretching out into the future.

A space of encounters, where cultures and people cross and meet, reflecting the inclusive image of sport where all the threads of life intersect, the Olympic Museum welcomes you just as it welcomes the greats of sport or culture. Maybe you'll have the chance to meet an Olympic champion or an artist during your visit and to share a few moments with them...

The Olympic Museum gives you a wonderful opportunity to enjoy a few moments of shared emotion and discovery with your family and friends. Welcome to the heart of the Olympics...
